I just mailed to Mayor West, EPA Form 5700-52A and SF 269A. The semi-annual progress report is due and can be in any format, i.e., narrative, chart, or combination of narrative and chart.

Hello Lula,

I talked to Mayor West the other day and she does not know where the paperwork needed may be. If you would kindly send the necessary forms to her I would appreciate it.

M. Jean West, Mayor
Village of Laurelville
PO Box 393
Laurelville, OH 43135

Thanks!

Warren

Hi, Warren,

Thank you for the update regarding funding. We need the Semi-annual technical progress report ASAP. In the future, you can submit the spreadsheet with your progress report The EPA Form 5700-52A, Utilization Under Federal Grants, Cooperative Agreement and Interagency

Agreements, is due each Federal fiscal quarter (January 30, April 30, July 30, and October 30). Therefore, your January 30 report is due immediately. Also each year a Financial Status Report SF-296A is due. If you do not have the form in your grants package, I'll send it to you when I return from travel.

XP-97579701-0, Request 2 - Village of

Laurelville

Hello Lula,

I certainly didn't mean to cause such a flurry of excitement. All I meant to do was forward you the spreadsheet I used for the 2nd drawdown on the ASAP system. The funds are transferred...there is no problem...I just wanted to see if I needed to submit any kind of hard copy paperwork to you.

From Roberts note, it appears not. All is well.

Thanks,

W.S. White
